Comparison table. In the first row is the name of a mask, in the second one is the price, in the third one is the level needed to get it, following by number of it you have to pay. WOF means Wheel Of Fortune - you need to get it in the Wheel Of Fortune. In the rest of the rows it the default percentual bonus the mask comes with, that can be used to get more masks. If a mask has No Snakes/Monkeys - "Y" means yes, it does. Empty cells mean I couldn't find the information. Last updated as of 1/31/2026. [\[Collapse\]](#)
